

## “CRUNCH-TIME” SELF-TEST SCORING GUIDE

- 140 correct:** You cheated.
- 130 to 139:** You still cheated.
- 125 to 129:** Impossible to believe.
- 120 to 124:** Either you cheated or you're a monster diagnostician ready to crush the Boards.
- 115 to 119:** Assuming you didn't cheat, that was a crazy good performance.
- 110 to 114:** Outstanding performance—easily more than a standard deviation above the mean.
- 105 to 109:** Pretty darn tremendous.
- 100 to 104:** Highly respectable—well above average for this level of difficulty.
- 95 to 109:** Good work—you're definitely ahead of the curve.
- 90 to 94:** You're doing fine—a good effort.
- 85 to 89:** Don't despair—these are hard, and you hung in well.
- 80 to 84:** Not terrible, but you need to start fine-tuning the rough spots.
- 75 to 79:** Could be better.
- 70 to 74:** Look in the mirror. Then say, “I know I can do better. Let's kick this up a notch.”
- 65 to 69:** You're in the 50% range now—mediocre.
- 60 to 64:** Not good enough—below average.
- 55 to 59:** These are tough, but you're below the curve.
- 50 to 54:** Inadequate knowledge base. You're in jeopardy of not passing the exam.
- <50:** Wait a while before taking the exam. You've got a ways to go.
